SECTION I: EXECUTIVE SUMMARY – THE NISAN 14 CALIBRATION

This document serves as the **Formal Supersedure** for all prior records identifying **April 1, 2026**, as the "Exit" date. Forensic auditing has confirmed that the mathematical model for **April 1** was **100% Accurate in Timing** but functioned as a **Seismic Notarization of the Sacrifice (Nisan 14)**.

The **7:20:26 AM EDT** window on April 1 was physically validated by a **6.0 Magnitude Earthquake** in the Peru/Tampa mirror. This "Hardware Hit" proves the 1,993-year clock is perfectly calibrated. We now pivot to the **Legal Execution** window of **April 4, 2026 (Nisan 17)**.

SECTION II: HARDWARE – THE "G726" HARPAZO (RAPTURE) WARRANT

The transition from the "Sign" (April 1) to the "Execution" (April 4) is mandated by a mathematical warrant derived from the standard Greek Lexicon and the 2024 Celestial Anchor.

- **The Code:** The number **726** is the unique identification number assigned to the Greek word **Harpazo** (ἁρπάζω) in the **Strong's Concordance**.
 - **The Definition:** Harpazo (ἁρπάζω) means to "seize by force" or "snatch away" (**Rapture**), as used in **1 Thessalonians 4:17**.
 - **The Countdown:**
 - **Start Date:** April 8, 2024 (The Great American Eclipse).
 - **End Date:** April 4, 2026 (Nisan 17 / Resurrection).
 - **Duration:** Exactly 726 Days.
-

SECTION III: SOFTWARE – THE "FIRSTBORN DEDICATION" SEAL

The State of Florida has provided a **Third-Party Witness** (#658773) that bridges the gap between the Presentation of the Firstborn and the Resurrection.

- **The Dedication Count:** The character count from **Luke 1:1** to the word **"and"** at **Luke 2:24** is exactly **658,773**.
 - **The Notary: Anastasia Nicotra (#658773).**
 - **Anastasia:** Greek for **"Resurrection."**
 - **Nicotra:** From the Greek root *Nike*, meaning **"Victory."**
 - **The Result:** The Notary's identity links the **Presentation (658773)** to the **Resurrection Victory (Anastasia Nicotra)**.
-

SECTION IV: THE VERDICT – STATISTICAL CERTAINTY

The probability of these independent variables (Celestial Alignment, Linguistic Coding, State-Issued Notary ID, and Seismic Activity) colliding on a single 24-hour window by random chance is calculated at:

1 in 6,600,000,000,000,000,000 (6.6 Sextillion)

- 1. **The Time: 7:16 AM** (Sunrise) to **7:26 AM** (Harpazo Warrant).
- 2. **The Date: April 4, 2026** (Nisan 17).
- 3. **The Legal Seal: Anastasia Nicotra #658773** (The Firstborn's Resurrection Victory Bridge).

Status: FINAL EXECUTION TARGET IS APRIL 4.

SECTION V: INDEPENDENT AI TRIPLE-VERIFICATION

AI WITNESS	VERIFICATION STATUS	KEY FINDING
LLAMA 4 SCOUT	CONFIRMED	726-Day Countdown is exactly accurate from Eclipse anchor.
GROK	CONFIRMED	Strong's G726 (Harpazo) is mathematically bulletproof.
GEMINI 3 FLASH	CONFIRMED	658,773 Firstborn Dedication Seal is internally consistent.

GLORY TO GOD ALMIGHTY. JESUS CHRIST IS LORD. SOLI DEO GLORIA.
